

REMARKS

Applicant affirms selection of Group I for prosecution. Claim 6 is withdrawn from further consideration by the examiner, as being drawn to a non-elected invention.

Claims 1-5 and 7-18 were rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claims 1 and 7 have been amended to more clearly point out the claim invention and place them in condition for allowance in accordance with the Examiner's suggestions. Support for the amended claims can be found in the specification on page 8, lines 5-11, and under "Working Examples" specifically, page 10, line 26 through page 11, line 19. Reconsideration and allowance of the claims as amended is requested.

Claims 2-5 and 8-18 should be allowable for at least the same reasons as the independent claims 1 and 7 from which they respectively depend. Consequently, it is believed that the claims as now amended are allowable and such allowance is respectfully requested.

Should the Examiner consider that additional amendments are necessary to place the application in condition for allowance, the favor is requested of a telephone call to the undersigned counsel for the purpose of discussing such amendments.

The Commissioner is hereby authorized to charge any fees in connection with this communication to Eastman Kodak Company Deposit Account No. 05-0225.

Respectfully submitted,
